Please indicate any information about your child/ren that would be helpful for us to know (allergies, special needs, divorce, death in family, living arrangements, disability)

In addition to classroom activities we may from time to time go outside to the playground or go on a nature walk on the fellowship grounds.

May your child participate? _____

_____ Yes or _____ No I do not: give permission to use photos of my child(ren) in Palomar UU Fellowship publications.

Children in the Nursery/Preschool and the Primary class usually have a snack toward the end of our class. Most of the time, the snack consists of cookies, fruit or graham crackers.

May your child participate? _____

Any allergies or restrictions? _____

I understand that our religious education program is a cooperative program that relies on parent volunteers to be a success. Therefore I pledge to volunteer 1 hour per month in the RE program.*

*RE volunteer hours may include teaching/helping in the classroom, bringing snacks, set up or clean up, or helping in children's chapel. However staffing classes is given priority. Every effort will be made so that these tasks are spread over the entire pool of volunteers so that no one group of people is always in the classroom and another bringing snacks.
